**Breaking:** Iain has just filmed his film debut for a Bafta award winning film team in the supporting actor role of a singer.

Well, it's not every day you get to perform for a famous Grammy award winning Hollywood music composer... but that day came for Iain on NYE 2023... Lorne Balfe (mission impossible, Churchill, The darkest Hour, Madagascar, The Crown +++)

NYE 2023

Iain sparks is a truly international artist with tours of Australia (with a 20 pc orchestra) Canada, Europe and Asia, and he has starring Regional & West End Theatre credits. Iain began his singing career performing backing vocals for Barry Manilow (Albert Hall & Wembley Arena) and Sting at the Brit awards.

He starred as Roy Orbison in 'The Concert They Never Gave' for E&B productions (Buddy! - West End) on several UK tours including appearances in West End Theatres.  
Iain had a top 10 hit the EMS Eurochart with a self penned song in the style of Roy Orbison entitled "You're not alone" which beat off stiff competition from the likes of Travis Tritt and other top US stars.

Iain played Roy Orbison in Perth, Australia, headlining with a 20 piece orchestra - the booker searched the world for the 'best Roy' & chose Iain as his first choice - supported by Johnny Earle the Elvis voice of Pepsi.

He also performed on live TV as Roy with Westlife in 2007 for BBC1 (one of many TV appearances) and spent most of 2009 touring in Europe & the UK with several different theatre shows.

He recently appeared at Greg Dyke's birthday party at his home with 250 VIP guests from TV news and Journalism. A massive all day event at his estate – a mini festival really.

Guests included Melvyn Bragg and Jon Snow ++

Iain was 4<sup>th</sup> top of the bill performing on the mainstage at Glastonbudget in 2018 with his "Van-Tastic' Van Morrison show with his band, featuring top musicians who play for Van Morrison, The Who, Mark Knopfler, Ronnie Wood and many more.

2020 saw Iain headlining at the Omega Desert Classic golf tournament in Dubai performing as Roy Orbison, Simply Red, Van Morrison and even himself with some of his own original songs.

Iain Sparks' performance as Roy Orbison has been reviewed the world over to great acclaim. People often think he's miming to Roy's original recordings. Some say he brings more to the role than just the look and sound of Roy and adds much of the essence of the fabulous Roy Orbison as well. Iain's staggering four and a half octave vocal range and powerful, crystal clear voice enables him to recreate the early iconic vocal sound of Roy Orbison when he was at his very best. Check out the high notes in 'Crying' and you will hear why Iain is generally regarded as the best in the business all over the world. He played Roy in the hit theatre show 'The Concert They Never Gave' including numerous performances London's West End theatres and a variety of other theatre shows, TV adverts & shows including Alan Carr, Westlife (BBC1) The Big

breakfast & many more.

He is the holder of the JEM music Award for Best Roy Orbison soundalike worldwide.
