BORN READY

Ready, Set, Go!

We pride ourselves on our ability to be highly responsive and effective. At Spartan Crew we approach every task with conscientious foresight and vigour, providing our clients with a trusted world-class service.

DIRECTOR STATEMENT

Fusing over 30 years experience in the live events industry, Spartan Crew was founded in London, 2017 by Paz Brennan and Ciaran Boylan. Built upon a passion for innovation and dynamic working, we sought to raise the bar on industry standards both for our clients and employees. We offer our clients world-class solutions, whilst providing industry leading training, crew welfare protocol and a commitment to compliance and health and safety. We strive to challenge ourselves and our team to reach new heights in professional development, in order to consistently deliver the very best in live event services.

We look forward to the future as we begin to branch out to a national level.

WHAT MAKES US DIFFERENT

At Spartan Crew, our number one priority is ensuring that our team has the optimum multi-discipline training and knowledge they need to exceed our clients' expectations, whilst maintaining the very highest standards of safety and compliance.

Our South-London HQ doubles as a training facility, where we provide bespoke briefings to make sure our people are fully equipped with the expertise required to handle your needs effectively and efficiently. It's this attention to detail that has seen us grow to become the trusted, go-to crewing solution for some of the UK's most prestigious venues and events.
