

'I love The Secret Faces' Alan McGee (Creation Records)

The Secret Faces

Hailing from the foothills of the Brecon Beacons National Park in South Wales The Secret Faces are a Folk-tinged Indie 4 piece with influences ranging from The War on Drugs, Matthew & the Atlas, Ben Howard, Bon Iver ,Bob Dylan, Crosby Stills & Nash , Neil Young plus more.

The Secret Faces were founded by singer songwriter Wayne Morgan, Joshua Collier (Guitar) Chris Webber (Drums), Andrew Brace (Bass) .Historically the members have had the opportunity to share the stage with acts like The Animals, Spencer Davies, Rick Buckler (The Jam) The Jason Bonham band, Dreadzone, Ali McKenzie (The Birds), New Model Army ,Scouting for girls they have also won critical acclaim from the likes of Alan McGee (Co-Founder Creation records) Fred Perry Subculture, John Hellier (Whapping Wharf) to name a few.

Secret Faces debut EP Waves and trees is out now on all major streaming/Download sites to accompany a number of live shows

Classic - I enjoyed it'
Eddie Piller (Acid Jazz)

The Secret Faces

Industry feedback

I love The Secret Faces' Alan McGee (Creation Records)

"These Days sounds Great, Love the voice and the song writing style! Great Work" Alex Roberts - Matthew and the atlas.

"I love it. It's Amazing, Cracking Recording and great song, I love the Guitar solo and the vocals are perfect" Ken Bonsall - Ferocious Dog.

"Awesome voice, I'm blown away great track well catchy, relevant, and timeless Wish I'd written it"
Be Atwell - Alabama 3

"Great vocals, it swings too, and Rocks at the same time
Richard Parfitt - 60ft Dolls

'Liked what I heard - a modernist flavour with a refreshing 60's aftertaste NICE!' - John Hellier (Wapping Wharf)

'Classic - I enjoyed it' Eddie Piller (Acid Jazz)
