

CLICKABLE ICONS

Kitty Stewart, bridges the borders of contemporary folk and comedy-pop with rich, soulful vocals and a captivating stage presence.

Her lyrics are charming and heart-warming, telling tales that take you on adventures across the globe and deep into your heart weaving themes of environmentalism, feminism and all things weird and wonderful!

Kitty has a natural ability to move and inspire her audience emotionally as well as physically with a big emphasis on crowd participation through song and dance. Her popular covers with a twist and epic medleys are not to be missed!
